List of Publications (April 2026) by Dr. Carsten Riepe

Publications in progress

Riepe, C., Arlidge, W. N. S. & Arlinghaus, R. (in preparation).

Ecological worldview and value orientations, not perceived responsibility, shape marine stakeholders' behavioral adaptation to an institutional regime shift that constrains their resource use.

Journal of Environmental Psychology.

Riepe, C., Kömle, D. & Arlinghaus, R. (in preparation).

Anforderungen einheimischer und touristischer Angler an die Bewirtschaftung von Hechtbeständen (*Esox lucius*) in den Boddengewässern Mecklenburg-Vorpommerns [Requirements of resident and tourist anglers for the management of pike (*Esox lucius*) populations in the Bodden lagoon waters of Mecklenburg-Western Pomerania]. *Zeitschrift für Fischerei*.

Smati, H., Mäurer, S., **Riepe, C.** & Arlinghaus, R. (submitted).

Angler support for freshwater fish stocking: The role of specialization, catch orientation, managerial role and demographics across different target species.

Fisheries Research.

Arlidge, W. N. S., **Riepe, C.**, Baumgärtner, S. & Arlinghaus, R. (in review).

Recreational anglers' attributions of causal responsibility for the collapse of the western Baltic cod (*Gadus morhua*) stock.

Marine Policy.

Radinger, J., **Riepe, C.**, Koemle, D., Ahrens, R., Parker, S. W., Rittweg, T. & Arlinghaus, R. (under revision).

Integrative spatial assessment of status and trends in a commercial-recreational coastal fishery for northern pike (*Esox lucius*), with implications for management.

Marine and Coastal Fisheries.

Peer-reviewed papers

Arlidge, W. N. S., Becker, O., Bronnmann, J., **Riepe, C.** & Arlinghaus, R. (2026).

Understanding recreational anglers' perceptions of stock trend, status, and regime shifts in the western Baltic cod (*Gadus morhua*).

Reviews in Fish Biology and Fisheries. 36:39 <https://doi.org/10.1007/s11160-026-10041-8>

Strehlow, H. V., Korzhenevych, A., Lucas, J., Lewin, W.-C., Weltersbach, M. S., **Riepe, C.** & Arlinghaus, R. (2025).

Economic impact of resident and nonresident marine anglers to the local economy in Mecklenburg-Western Pomerania, Germany.

Fisheries Management and Ecology, 32, e12664. <https://doi.org/10.1111/fme.12664>

Arlinghaus, R., Kömle, D., **Riepe, C.** & Niessner, D. (2023).

Einstellungen von Anglern und Berufsfischern zu Managementmaßnahmen beim Hecht (*Esox lucius*) in den Bodden: Gemeinsamkeiten, Unterschiede und Schlussfolgerungen für das Management [Attitudes of anglers and commercial fishermen toward management tools for pike (*Esox lucius*) in the Bodden waters: Similarities, differences, and management conclusions].

Zeitschrift für Fischerei, 3. DOI: 10.35006/fischzeit.2023.27

Lewin, W.-C., Weltersbach, M. S., Haase, K., **Riepe, C.** & Strehlow, H. V. (2023).

Potential biases in angler diary data: The impact of the diarist recruitment process on participation rates, catch, harvest, and effort estimates.

Fisheries Research, 258, 106551. <https://doi.org/10.1016/j.fishres.2022.106551>

Kochalski, S., **Riepe, C.**, Arlinghaus, R. (2022).

Perceived socio-cultural ecosystem services provided by wild Atlantic salmon populations in four European countries.

Aquatic Ecosystem Health and Management, 25 (3), 12-21. <https://doi.org/10.14321/ae hm.025.03.12>

- Šmelhausová, J., **Riepe**, C., Jarić, I. & Essl, F. (2022).
How Instagram users influence nature conservation: A case study on protected areas in Central Europe.
Biological Conservation, 276, 109787. <https://doi.org/10.1016/j.biocon.2022.109787>
- Arlinghaus, R., **Riepe**, C., Theis, S., Pagel, T. & Fujitani, M. (2022).
Dysfunctional information feedbacks cause the emergence of management panaceas in social-ecological systems: The case of fish stocking in inland recreational fisheries.
Journal of Outdoor Recreation and Tourism, 38. <https://doi.org/10.1016/j.jort.2021.100475>
- Riepe**, C., Liebe, U., Fujitani, M., Kochalski, S., Aas, Ø. & Arlinghaus, R. (2021).
Values, beliefs, norms, and conservation-oriented behaviors toward native fish biodiversity in rivers: Evidence from four European countries.
Society and Natural Resources, 34, 703-724. <https://doi.org/10.1080/08941920.2021.1890865>
- Riepe**, C. & Arlinghaus, R. (2021).
Angeln in der Mitte der Gesellschaft: Die öffentliche Wahrnehmung der Freizeitfischerei mit der Angel in den alten und neuen Bundesländern [Recreational angling in Germany: On the public perception of recreational fisheries with rod and line in the western and eastern federal states of Germany].
Zeitschrift für Fischerei, 1. <https://www.zeitschrift-fischerei.de/index.php/FischZeit> DOI:10.35006/fischzeit.2021.14
- Lewin, W.-C., Weltersbach, M. S., Haase, K., **Riepe**, C., Skov, C., Gundelund, C. & Strehlow, H. V. (2021).
Comparing on-site and off-site survey data to investigate survey biases in recreational fisheries data.
ICES Journal of Marine Science, 78, 2528–2546. <https://doi.org/10.1093/icesjms/fsab131>
- Arlinghaus, R., Lucas, J., Weltersbach, M. S., Kömle, D., Winkler, H. M., **Riepe**, C., Kühn, C. & Strehlow, H. V. (2021).
Niche overlap among anglers, fishers and cormorants and their removals of fish biomass: A case from brackish lagoon ecosystems in the southern Baltic Sea.
Fisheries Research, 238. DOI: 10.1016/j.fishres.2021.105894
- Cucherousset, J., Lassus, R., **Riepe**, C., Millet, P., Santoul, F., Arlinghaus, R. & Buoro, M. (2021).
Quantitative estimates of freshwater fish stocking practices by recreational angling clubs in France.
Fisheries Management and Ecology, 28, 295-304. <https://doi.org/10.1111/fme.12471>
- Arlinghaus, R., Beardmore, B., **Riepe**, C. & Pagel, T. (2020).
Species-specific preference heterogeneity in German freshwater anglers, with implications for management.
Journal of Outdoor Recreation and Tourism, 32. DOI: 10.1016/j.jort.2019.03.006
- Fujitani, M., **Riepe**, C., Pagel, T., Cucherousset, J., Buoro, M., Santoul, F., Lassus, R. & Arlinghaus, R. (2020).
Ecological and social constraints are key for voluntary investments into renewable natural resources.
Global Environmental Change, 63, 102125. <https://doi.org/10.1016/j.gloenvcha.2020.102125>
- Riepe**, C., Meyerhoff, J., Fujitani, M., Aas, Ø., Radinger, J., Kochalski, S. & Arlinghaus, R. (2019).
Managing river fish biodiversity generates substantial economic benefits in four European countries.
Environmental Management, 63, 759-776. <https://doi.org/10.1007/s00267-019-01160-z>
- Kochalski, S., **Riepe**, C., Fujitani, M., Aas, Ø. & Arlinghaus, R. (2019).
Public perception of river fish biodiversity in four European countries.
Conservation Biology, 33, 164-175. <https://doi.org/10.1111/cobi.13180>

Paper and poster presentations / Conference proceedings

Riepe, C. (2026, March).

Wildlife value orientations.

Invited lecture contributed to the Global Recreational Fisheries Management School.

Riepe, C., Meyerhoff, J., Fujitani, M., Kochalski, S. & Arlinghaus, R. (2018, February).

Economic value of river restoration and conservation in four European countries.

Invited presentation given at the Mini-Symposium "Accounting for the People Dimension of Fisheries Using Economic and Bioeconomic Approaches". Berlin, Germany.

Riepe, C., Fujitani, M., Cucherousset, J., Pagel, T., Buoro, M., Santoul, F., Lassus, R. & Arlinghaus, R. (2017, March).

Psychological and contextual determinants of the intention to alter fish stocking practices in German and French angling clubs: Are clubs that stock nonnative salmonids different?

Paper presented at the Salmolnvaade Final Meeting and International Stakeholder Workshop. Kristineberg, Sweden.

Riepe, C., Meyerhoff, J., Fujitani, M., Kochalski, S. & Arlinghaus, R. (2017, March).

Managing rivers for a good ecological status generates economic benefits and indirectly conserves salmonid biodiversity - A choice experiment in 4 European countries.

Paper presented at the Salmolnvaade Final Meeting and International Stakeholder Workshop. Kristineberg, Sweden.

Riepe, C., Fujitani, M., Kochalski, S. & Arlinghaus, R. (2017, March).

Explaining public biodiversity conservation behavior - Results of a one-year follow-up survey.

Paper presented at the Salmolnvaade Final Meeting and International Stakeholder Workshop. Kristineberg, Sweden.

Riepe, C., Kochalski, S., Fujitani, M., Meyerhoff, J. & Arlinghaus, R. (2016, October).

Fischartenschutz – Salmoniden, Aal und Stör: Wissen, Wahrnehmung und Präferenzen in der deutschen Bevölkerung [Fish species protection – Salmonids, eel and sturgeon: Knowledge, perception and preferences among the German public].

Paper presented at the 6. Dialog am Müggelsee. Berlin, Germany.

Riepe, C., Pagel, T., Hilsberg, J., Beardmore, B., McFall, A., Meyerhoff, J. & Arlinghaus, R. (2015, June).

The human dimensions of stocking in German angling clubs.

Paper presented at the EIFAAC International Symposium. Lillehammer, Norway.

Riepe, C. & Arlinghaus, R. (2015, June).

Moral evaluation of catch-and-release practices by the German public.

Paper presented at the EIFAAC International Symposium. Lillehammer, Norway.

Riepe, C., McFall, A. & Arlinghaus, R. (2014, November).

Bedeutung von Fischbesatz für norddeutsche Vereinsangler [The significance of fish stocking for club anglers in northern Germany].

Poster presented at the Abschlussveranstaltung Besatzfisch. Hannover, Germany.

Riepe, C., Liebe, U. & Arlinghaus, R. (2014, November).

Besatzentscheidungen in deutschen Angelvereinen verstehen [Understanding stocking decisions made in German angling clubs].

Poster presented at the Abschlussveranstaltung Besatzfisch. Hannover, Germany.

Riepe, C., Beardmore, B., Pagel, T., Meyerhoff, J. & Arlinghaus, R. (2014, November).

Was bestimmt die Angelqualität aus Sicht der Angler? [What determines the quality of an angling experience from the anglers' point of view?].

Poster presented at the Abschlussveranstaltung Besatzfisch. Hannover, Germany.

Riepe, C. & Arlinghaus, R. (2014, October).

Human dimension aspects of salmonid invasions.

Paper presented at the Salmolnvaade International Stakeholder Workshop. Göteborg, Sweden.

Riepe, C. & Arlinghaus, R. (2014, June).

Moral acceptability of recreational fishing among the German general public – Results from a representative survey.

Paper presented at the 20th International Symposium on Society and Resource Management (ISSRM). Hannover, Germany.

Riepe, C. & Arlinghaus, R. (2009, April).

Animal welfare issues in the context of recreational fisheries: How is angling perceived and evaluated by the general population in Germany?

Paper presented at the Open Meeting 2009 of the International Human Dimensions Programme on Global Environmental Change (IHDP). Bonn, Germany.

Riepe, C. (2005/2006).

Vorstellung der Marktforschung als Tätigkeitsfeld für Psychologen [Introduction to market research as an occupational field for psychologists].

Invited presentations given in seminars for graduate students. University of Hamburg, Department of Psychology. Hamburg, Germany.

Riepe, C. & Lamprecht, G. (2004, May).

Konzept-Produkt-Tests in der FMCG Marktforschung - Anwendungsmöglichkeiten, Durchführung, Auswertung [Concept-product tests in FMCG market research - Application, realisation, interpretation].

Paper presented at the 5. Kongress für Wirtschaftspsychologie. Hamburg, Germany.

Published in: S. M. Schmitz-Buhl (Ed.), *Wirtschaftspsychologie: Perspektiven für die Zukunft* (pp. 37-38). Heidelberg, Germany: Verlagsgruppe Hüthig.

Riepe, C. (2003, October).

Alltägliches Ernährungsverhalten aus psychologischer Sicht [Psychological perspectives of everyday nutrition behaviour].

Invited presentation given at the Regionalabend des Berufsverbandes Deutscher Markt- und Sozialforscher e. V., BVM. Hamburg, Germany.

Riepe, C. & Buse, L. (1999, October).

Die Experience-Sampling-Method (ESM) als Instrument der Befindlichkeitsmessung unter Alltagsbedingungen [The experience-sampling method (ESM) as an instrument for measuring day-to-day mood].

Paper presented at the 20. Kongreß für Angewandte Psychologie des Berufsverbandes Deutscher Psychologinnen und Psychologen e. V. (BDP). Berlin, Germany.

Published in: G. Krampen, H. Zayer, W. Schönplflug, & G. Richardt (Eds.), *Beiträge zur Angewandten Psychologie* (pp. 457-460). Bonn, Germany: Deutscher Psychologen Verlag.

Conference contributions

Arlinghaus, R., Koemle, D. & **Riepe, C. (2026, February).**

Catch uncertainty – a “first principle” that motivates anglers to continue to fish?

Paper presented at the 11th World Recreational Fishing Conference (WRFC). Mpekweni, South Africa.

Arlidge, W., **Riepe, C. & Arlinghaus, R. (2025, September).**

Measuring the causal impact of harvest restrictions on Western Baltic cod anglers' effort, stock status perception, and harvest policy preferences.

Paper presented at the ICES Annual Science Conference 2025. Klaipėda, Lithuania.

Riepe, C., Arlidge, W. & Arlinghaus, R. (2025, September).

*Which actors and factors do recreational anglers hold causally responsible for the collapse of the western Baltic cod (*Gadus morhua*) stock and the closure of the harvest fishery?.*

Paper presented at the ICES Annual Science Conference 2025. Klaipėda, Lithuania.

Smati, H., Mäurer, S., **Riepe, C. & Arlinghaus, R. (2025, September).**

Angler support for fish stocking: What explains it?.

Paper presented at the Pathways 2025 Conference. Estes Park, Colorado, USA.

Arlinghaus, R., Arlidge, W. & **Riepe, C. (2025, July).**

Impact of tipping on behavior, perceptions and preferences of recreational anglers targeting cod in the western Baltic Sea: A difference-in-difference approach.

Paper presented at the Conference of the International Research Programme “Tipping points, dynamics and interactions of social and ecological systems (GlobalTip)”. Frankfurt a. M., Germany.

Smati, H., Mäurer, S., **Riepe, C. & Arlinghaus, R. (2025, July).**

Angler support for fish stocking: What explains it?.

Poster presented at the Deutscher Fischereitag 2025. Nürnberg, Germany.

Arlinghaus, R., Arlidge, W., **Riepe, C. & Strehlow, H. (2025, February).**

Behavioural and cognitive responses to crossing tipping points: The case of recreational cod anglers in Germany.

Paper presented at the Sustainability Science Summit 2025. Berlin, Germany.

- Arlidge, W., Becker, O., **Riepe**, C. & Arlinghaus, R. (2024, November).
Understanding angler perceptions of regime shifts in the western Baltic stock of the Atlantic cod (Gadus morhua).
Tagung der Gesellschaft für Ichthyologie an der Humboldt Universität zu Berlin. Berlin, Germany.
- Arlinghaus, R., Kömle, D., Vogt, A. & **Riepe**, C. (2023, June).
Die soziale und ökonomische Bedeutung des Boddenhechts und Konfliktpotenziale [The socio-economic relevance of Bodden pike and conflict potentials].
Paper presented at the Abschlussveranstaltung Boddenhecht. Stralsund, Germany.
- Arlinghaus, R., **Riepe**, C., Meyerhoff, J., Fujitani, M., Radinger, J., Kochalski, S. & Aas, Ø. (2018, September).
Economic value of river conservation in four countries.
Paper presented at the Pathways Europe 2018 conference. Goslar, Germany.
- Kochalski, S., Fujitani, M., **Riepe**, C. & Arlinghaus, R. (2018, September).
How to change public perception of migratory fishes?
Paper presented at the Pathways Europe 2018 conference. Goslar, Germany.
- Fujitani, M., **Riepe**, C., Pagel, T., Cucherousset, J., Buoro, M., Santoul, F., Lassus, R. & Arlinghaus, R. (2018, September).
Voluntary investments by civilians into Salmonid stocking and habitat.
Paper presented at the Pathways Europe 2018 conference. Goslar, Germany.
- Kochalski, S., Fujitani, M., **Riepe**, C. & Arlinghaus, R. (2018, June).
Changing the public perception of migratory fishes: Results of an experiment under natural conditions using a before-after control-impact design.
Paper presented at the IMPRESS 2018 Conference. Arendal, Norway.
- Arlinghaus, R., Kochalski, S., Fujitani, M. & **Riepe**, C. (2018, June).
The human dimension of fish stocking.
Paper presented at the IMPRESS 2018 Conference. Arendal, Norway.
- Johnston, F. D., Allen, M. S., Beardmore, B., **Riepe**, C., Pagel, T., Hühn, D. & Arlinghaus, R. (2018, January).
Balancing fish conservation and angler use in recreational fisheries: evaluating the biological, social and economic outcomes from fish stocking and harvest regulations.
Paper presented at the Canadian Conference For Fisheries Research 2018. Edmonton, Alberta, Canada.
- Jarić, I., **Riepe**, C. & Gessner, J. (2017, September).
Sturgeon and paddlefish life history and management: experts' knowledge and beliefs.
Paper presented at the 8th International Symposium on Sturgeon. Vienna, Austria.
- Kochalski, S., **Riepe**, C., Fujitani, M., Aas, Ø. & Arlinghaus, R. (2017, September).
Beneath the surface: Public perception of fish biodiversity.
Paper presented at the Pathways Conference 2017. Estes Park, Colorado, USA.
- Johnston, F. D., Allen, M. S., Beardmore, B., **Riepe**, C., Pagel, T., Hühn, D. & Arlinghaus, R. (2017, July).
The costs and benefits of using stock enhancement versus harvest regulations in recreational fisheries: Trade-offs among biological, social and economic objectives.
Paper presented at the 8th World Recreational Fishing Conference (WRFC). Victoria, BC, Canada.
- Arlinghaus, R., Kochalski, S. & **Riepe**, C. (2017, June).
Atlantic salmon – the human dimension.
Paper presented at the North Atlantic Salmon Conservation Organization's 34th Annual Meeting. Varberg, Sweden.
- Arlinghaus, R., **Riepe**, C. & Fujitani, M. (2017, March).
The social dimension of fish stocking – an overview.
Paper presented at the Salmolnva Final Meeting and International Stakeholder Workshop. Kristineberg, Sweden.
- Kochalski, S., **Riepe**, C., Fujitani, M., Aas, Ø. & Arlinghaus, R. (2017, March).
Cross-cultural differences in public perception of aquatic biodiversity and river biodiversity.
Paper presented at the Salmolnva Final Meeting and International Stakeholder Workshop. Kristineberg, Sweden.
- Jarić, I., **Riepe**, C. & Gessner, J. (2016, September).
What we know and what we think we know about sturgeons and paddlefish.
Paper presented at the NASPS Annual Meeting. Hood River, Oregon, USA.

- Fujitani, M., Meyerhoff, J., **Riepe**, C., Kochalski, S. & Arlinghaus, R. (2016, September). *Public willingness to pay for biodiversity of migratory fishes: A four-country discrete choice experiment*. Paper presented at the ECSA 56 symposium. Bremen, Germany.
- Kochalski, S., **Riepe**, C., Fujitani, M. & Arlinghaus, R. (2016, September). *Cross-cultural differences in public perceptions of aquatic biodiversity and conservation*. Paper presented at the ECSA 56 symposium. Bremen, Germany.
- Theis, S., Fujitani, M., **Riepe**, C. & Arlinghaus, R. (2016, August). *Typologie deutscher Angelvereine in Bezug auf die bevorzugt eingesetzten Hegemethoden* [Typology of German angling clubs based on their preferred methods of fisheries management]. Poster presented at the Deutscher Fischereitag 2016. Potsdam, Germany.
- Kochalski, S., **Riepe**, C., Fujitani, M. & Arlinghaus, R. (2016, August). *Was der Bauer nicht kennt ...? Interkulturelle Unterschiede in der öffentlichen Wahrnehmung von heimischen Fischarten und biologischer Vielfalt* [Can the habits of a lifetime be changed? Intercultural differences in public perception of native fish species and biodiversity]. Poster presented at the Deutscher Fischereitag 2016. Potsdam, Germany.
- Arlinghaus, R. & **Riepe**, C. (2016, August). *Urbanisierung, Wertewandel und gesellschaftliche Akzeptanz des Angelns in Deutschland* [Urbanization, value change and the acceptance of angling among the German public]. Paper presented at the Deutscher Fischereitag 2016. Potsdam, Germany.
Published in: H. Wedekind (Ed.), *Fischerei in Binnengewässern – Situation und Perspektiven* (pp. 79-83). Hamburg, Germany: Arbeiten des Deutschen Fischerei-Verbandes, 94.
- Arlinghaus, R., Cyrus, E.-M., Eschbach, E., Fujitani, M., Hühn, D., Johnston, F., Pagel, T. & **Riepe**, C. (2015, December). *The dual role of active adaptive management: ecological learning and learning for sustainability: a summary of the "Stocked Fish" project*. Paper presented at the Institute for Hydrobiology and Fisheries Science. Hamburg, Germany.
- Arlinghaus, R., Cyrus, E.-M., Eschbach, E., Fujitani, M., Hühn, D., Johnston, F., Pagel, T. & **Riepe**, C. (2015, November). *Effektive Kommunikation von Prinzipien zum nachhaltigen Fischbesatz an Angelvereine – ein inter- und transdisziplinärer Ansatz* [Effective communication of principles of sustainable fish stocking to angling clubs – An inter- and transdisciplinary approach]. Paper presented at the 12. Tagung der Gesellschaft für Ichthyologie (GfI). Berlin, Germany.
- Arlinghaus, R., Cyrus, E.-M., Fujitani, M., Eschbach, E., Johnston, F., Hühn, D., Pagel, T. & **Riepe**, C. (2015, June). *A transdisciplinary sustainability science route to sustainable fish stocking in recreational fisheries*. Paper presented at the EIFAAC International Symposium. Lillehammer, Norway.
- Johnston, F. D., Allen, M. S., **Riepe**, C., Beardmore, B., Pagel, T. & Arlinghaus, R. (2015, June). *The costs and benefits of stocking reproducing and non-reproducing species: A bioeconomic modelling approach*. Paper presented at the EIFAAC International Symposium. Lillehammer, Norway.

(2014, November). *Kosten-Nutzen von Fischbesatzmaßnahmen mit Hecht und Karpfen* [Cost-benefit analysis of fish stocking measures with pike and common carp]. Poster presented at the Abschlussveranstaltung Besatzfisch. Hannover, Germany.

Nickl, J., Pagel, T., **Riepe**, C. & Arlinghaus, R. (2014, November).
Besatzfisch aus Sicht der beteiligten Vereine [Evaluation of the Besatzfisch project from the perspective of the participating clubs].
Poster presented at the Abschlussveranstaltung Besatzfisch. Hannover, Germany.

Arlinghaus, R., Hühn, D., Fujitani, M., Pagel, T., McFall, A., Eschbach, E. & **Riepe**, C. (2014, September).
A sustainability science route to sustainable fish stocking.
Paper presented at the 7th World Recreational Fishing Conference. Campinas, Brazil.

Arlinghaus, R., **Riepe**, C., Pagel, T., Beardmore, B. & Hilsberg, J. (2014, July).
Social and economic dimensions of fish stocking.
Keynote speech delivered at the Fisheries Society of the British Isles 2014 Annual Symposium. Hull, UK.

Johnston, F. D., Allen, M. S., **Riepe**, C., Beardmore, B. & Arlinghaus, R. (2014, July).
A bioeconomic approach to investigating trade-offs among stocking and harvest regulations to manage recreational fisheries.
Paper presented at the Fisheries Society of the British Isles 2014 Annual Symposium. Hull, UK.

Arlinghaus, R., Cyrus, E.-M., Eschbach, E., Hühn, D., **Riepe**, C. & Pagel, T. (2014, June).
A transdisciplinary sustainability science route to sustainable fish stocking in recreational fisheries.
Paper presented at the 20th International Symposium on Society and Resource Management (ISSRM). Hannover, Germany.

Arlinghaus, R., Hühn, D., Pagel, T., Eschbach, E., McFall, A. & **Riepe**, C. (2013, September).
Abschlusspräsentation des Besatzfisch Projekts [Final presentation of the Besatzfisch project].
Paper presented at the FONA Forum. Bonn, Germany.

Blom, A. G., Gathmann, C., Holthausen, A. & **Riepe**, C. (2012, March).
The German Internet Panel: Design of a probability-based online survey.
Paper presented at the General Online Research 2012 conference (GOR 12). Mannheim, Germany.

Blom, A. G., Gathmann, C. & **Riepe**, C. (2011, August).
Concept and structure of the "German Internet Panel" (GIP).
Paper presented at the 5th Measurement and Experimentation in the Social Sciences (MESS) workshop. Oisterwijk, the Netherlands.

Arlinghaus, R. & **Riepe**, C. (2011, August).
Do shifts in wildlife value orientations affect the moral acceptability of recreational fishing in post-industrialized societies?
Paper presented at the 6th World Recreational Fishing Conference (WRFC). Berlin, Germany.

Gathmann, C. & **Riepe**, C. (2011, July).
Konzept und Struktur des German Internet Panel [Concept and structure of the German Internet Panel].
Paper presented at the 5. Workshop der Panel Surveys in Deutschland. Wiesbaden, Germany.

Arlinghaus, R. & **Riepe**, C. (2010, September).
Do shifts in wildlife value orientations affect the moral acceptability of recreational fishing in post-industrialized societies?
Paper presented at the Pathways to Success 2010 conference. Estes Park, Colorado, USA.
